Overall Length:

3.141 inches

Housing Material:

Aluminum alloy

Special Features:

6.312 in. Dia; various size holes

Material:

Aluminum alloy

Material Specification:

Qq-a-601, comp 3m, t51 temper federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A522y0
