**Overall Length:**

3.141 inches

**Housing Material:**

Aluminum alloy

**Special Features:**

6.312 in. Dia; various size holes

**Material:**

Aluminum alloy

**Material Specification:**

Qq-a-601, comp 3m, t51 temper federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A522y0
