## NSN 3040-00-027-4772

Straight Shaft - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/3040-00-027-4772

First End Style:
Plain

End Similarity:
Identical

Overall Length:
1.850 inches

First End Diameter:
Between 0.1871 inches and 0.1873 inches

Surface Finish:

16.0 microinches

Steel comp 416

Material:

Material Specification:

Qq-s-764, cond a federal specification single material response

Shelf Life:

N/a

**Unit Of Measure:** 

Demilitarization:

No

Fiig:

A23200
