#### First End Style:

Plain

End Similarity:

Identical

### **Overall Length:**

2.150 inches

#### First End Diameter:

Between 0.2496 inches and 0.2498 inches

#### Surface Finish:

16.0 microinches

#### Material:

Steel comp 416

#### **Material Specification:**

Qq-s-764, cond a federal specification single material response

#### Shelf Life:

N/a

#### Unit Of Measure:

--

## Demilitarization:

No

## Fiig:

A23200
