First End Style:

Flatted

End Similarity:

Identical

Overall Length:

1.860 inches

End Application:

4920-00-830-0739

First End Flat Depth:

0.0312 inches

First End Flat Length:

0.280 inches

First End Diameter:

Between 0.1870 inches and 0.1872 inches

Material:

Stainless steel

Material Specification:

Qq-s-763 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23200
