Overall Length:

6.250 inches

End Application:

Pump assembly, fuel, part no. 6867760 and part no. 6868758

Special Features:

Fsc application data: rod, piston, linear actuating cylinder, engine, aircraft

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A525x0
