Overall Length:

12.547 inches

Overall Height:

4.062 inches

Overall Width:

0.251 inches

Construction Type:

One piece

End Application:

Carrier, personnel, armored, m113f0u

Housing Material:

Aluminum

Special Features:

8 mounting holes 0.437 in. Dia, 3.250 in. Aperature hole in body

Material:

Aluminum

Material Specification:

Qq-a-601 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A522y0
