Width:

1.360 inches

Overall Length:

8.040 inches

Overall Height:

8.500 inches

Bore Inside Diameter:

0.386 inches

Special Features:

Bore centerline to base is 0.640in

Material:

Aluminum alloy

Material Specification:

Qq-a-250/8, alloy 5052, h34 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A524a0
