End Similarity:

Not identical

Overall Length:

5.0400 inches

End Application:

C-135 aircraft

Step Quantity:

5

Largest Step Diameter:

1.6250 inches

Surface Finish:

125.0 microinches

Special Features:

Used on aft reverser lockout-shaft is externally splined (involute)

Material:

Steel comp 4130

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23200
