Overall Length:

21.562 inches

Overall Height:

3.188 inches

Overall Width:

12.000 inches

Construction Type:

Multiple piece

End Application:

2320-00-050-8902

Housing Material:

Iron

Special Features:

Includes 3 shifter forks, 3 shafts, 2 brackets and attaching parts

Material:

Iron

Material Specification:

Sae g3000 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A522y0
