Overall Length:

15.940 inches

Overall Height:

8.220 inches

Overall Width:

9.060 inches

Construction Type:

One piece

End Application:

2320-00-089-7264

Housing Material:

Iron malleable

Material:

Iron malleable

Material Specification:

Qq-i-666, grade 2 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A522y0
