First End Style:

External threaded

End Similarity:

Identical

Overall Length:

14.531 inches

First End Diameter:

0.2500 inches

First End External Thread Length:

0.375 inches

Special Features:

1/4-28 nf-2 threads both ends

Material:

Steel comp 303

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23200
