Straight Shaft - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/3040-00-281-2669

First End Style:
Plain
End Similarity:
Identical
Overall Length:
0.812 inches
First End Diameter:
Between 0.1870 inches and 0.1872 inches
Surface Finish:
32.0 microinches
Material:
Steel comp 303
Material Specification:
Qq-s-764, cond a federal specification single material response
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A23200
