**End Application:**

Uplock mechanism, main landing gear

**Special Features:**

Surface treatment: white paint, color no. 17875 per fed-std-595

**Material:**

Aluminum alloy

**Material Specification:**

C-07-111, alloy 7075, t7351, cage 36659 mfr ref single material response

**Surface Treatment:**

Paint

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A524p0
