Overall Length:

5.625 inches

Pivot Pin Hole Diameter:

Between 1.189 inches and 1.190 inches

Length From Pivot Pinhole Centerline To Point Of Engagement:

2.875 inches

Special Features:

1.625 in.Thk at pivot end 2.375 in.Thk at engagement end; depth from pivot pinhole centerline to point of engagement: 0.500 in.Nom; length from pivot pinhole center to engagement end: 4.625 in.Nom; material document and classification: steel, mil-s-13048, fs1036-fs1042; fsc application data: winch brake tank recovery vehicle

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:
