First End Style:

Flanged and internal keyway

End Similarity:

Not identical

Second End Style:

Splined (involute)

Overall Length:

9.073 inches

End Application:

Loader, 3 in., mk 2, mod 3

Step Quantity:

2

Material:

Steel

Material Specification:

Mil-s-890 military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A23200

Mil-std (military Standard):

Mil-s-890 spec.
