Width:

2.195 inches

Overall Length:

1.220 inches

Overall Height:

5.310 inches

Bore Inside Diameter:

Between 1.374 inches and 1.375 inches

Material:

Iron

Material Specification:

Qq-i-666 grade 2 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A524a0
