First End Style:

Flatted

End Similarity:

Identical

Overall Length:

7.880 inches

First End Flat Depth:

0.2570 inches

First End Diameter:

0.8740 inches

Special Features:

Two holes in two places 0.125 in. Dia; center cutout 1.250 long 3.318 in from end

Material:

Steel

Material Specification:

Ams5743 military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23200

Mil-std (military Standard):

spec.
