First End Style:

External threaded

End Similarity:

Identical

Overall Length:

7.750 inches

End Application:

Mast base, mp-47-a

First End Diameter:

0.6250 inches

First End External Thread Length:

1.000 inches

Material:

Steel

Fsc Application Data:

Radio and television communications equipment, except airborne

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23200
