First End Style:

Plain

End Similarity:

Identical

Overall Length:

7.660 inches

First End Diameter:

Between 3.4970 inches and 3.5030 inches

Surface Finish:

28.0 microinches

Material:

Stainless steel

Material Specification:

Ams5643, 17-4ph assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23200
