First End Style:

Square (round corners)

End Similarity:

Identical

Overall Length:

16.750 inches

First End Width Across Flats:

0.562 inches

First End Diameter:

0.7500 inches

First End Step Length:

1.188 inches

Surface Finish:

63.0 microinches

Special Features:

Cross drilled through hole 0.193 inch diameter centrally located each end

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23200
