Width:

2.380 inches

Overall Length:

2.760 inches

Overall Height:

1.560 inches

Bolt Hole Quantity:

4

Bore Inside Diameter:

Between 0.500 inches and 0.502 inches

Bolt Hole Size:

1/2 inch diameter

Special Features:

Center to center distance between bolt holes: irregular

Material:

Steel

Material Specification:

Mil-s-11415, class c-6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A524a0

Mil-std (military Standard):

Mil-s-11415 spec.
