Overall Length:

87.922 inches

End Application:

General motors corp, tractor truck

Endlength:

2.000 inches

Core Diameter:

0.150 inches

End Type:

Square male

Cross Section Size And Location:

Machined Feature Size:

0.060 in. W by 0.048 in. Lg slot 1st end

Material:

Steel

Material:

Steel

Fsc Application Data:

Speedometer assembly, mechanical motion measuring instrument

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T246-d
