First End Style:

Plain

End Similarity:

Identical

Overall Length:

1.760 inches

First End Diameter:

Between 0.6230 inches and 0.6240 inches

Surface Finish:

125.000 microinches

Material:

Steel comp 4130

Material Specification:

Mil-t-6736 military specification all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23200

Mil-std (military Standard):

Mil-t-6736 spec.
