Shouldered Shaft - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/3040-00-612-3568

First End Style:
Plain
End Similarity:
Not identical
Second End Style:
Splined (straight)
Overall Length:
2.663 inches
First End Diameter:
0.3095 inches
Material:
Steel
Fsc Application Data:
Valve, aircraft air conditioning system
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A23200
