End Similarity:

Not identical

Overall Length:

6.000 inches

Second End Distance From End To Groove:

0.375 inches

Special Features:

Longitudinal hole in second end on shaft center line 0.250 in. Diameter by 3.625 in. Deep

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23200
