Material Thickness:

0.125 inches

Pivot Pin Hole Diameter:

0.096 inches

Special Features:

Depth from pivot pinhole centerline to point of engagement: 0.281 in.Nom; material document and classification: aluminum alloy, qq-a-601, alloy 356, comp 3, t6

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A524q0
