Mounting Provision:

Unthreaded mounting holes

End Application:

M110a2 howitzer

Mounting Provision Arrangement Style:

Single hole

Design Characteristics:

Single acting single cylinder

First Piston Rod End Style:

Internal threaded

Piston Rod End Similarity:

Not identical

Mounting Type And Location:

Tongue piston rod end

Special Features:

Gear rack on head end of rod; enamel color is od

Surface Treatment:

Enamel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A34200
