Overall Length:

13.380 inches

Overall Height:

9.620 inches

Overall Width:

10.620 inches

Housing Material:

Steel

Special Features:

For steering gear assembly, vehicular

Material:

Steel

Material Specification:

Qq-s-681 class 80-50 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A522y0
