Width:

2.250 inches

Overall Length:

2.688 inches

Overall Height:

1.689 inches

Bore Inside Diameter:

1.812 inches

Mounting Hole Type And Quantity:

6 plain

Special Features:

Bore centerline to base bottom is 1.500in.

Material:

Aluminum alloy

Material Specification:

Qq-a-250/11, t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A524a0
