Mounting Hole Diameter:

Between 0.184 inches and 0.198 inches

Mounting Hole Quantity:

2

Aperture Diameter:

Between 0.555 inches and 0.565 inches

End Application:

Hydraulic system, acft

Special Features:

Mtg hole spacing: 75.0 degree angle between centers

Material:

Aluminum alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A524m0
