First End Style:

Plain

End Similarity:

Identical

Overall Length:

48.000 inches

First End Diameter:

1.0000 inches

Special Features:

Shaft has flat 6.000 in.From end, 3.000 in.Lg, 0.380 in.Wide

Material:

Steel

Material Specification:

Mil-5620 military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23200

Mil-std (military Standard):

spec.
