End Application:

Howitzer, m-109 series self propelled

Housing Material:

Steel

Special Features:

8.460 in. Largest dia, 6.216 in. Smallest dia, 8 holes on 7.500 in. Diameter bolt circle

Material Specification:

Qq-s-624, comp 8620 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A522y0
