Special Features:

Material steel forging, alloy, grade d comp 8615h or 8617h, spec mil- s-46172; harden all over per 8355701 method i case depth to be .035 to .055case hardness-rockwell "c"60min.; core hardness rockwell "c"20 min; additionaloptions on matl.And heat treat.; draw- ing name hub-torque converter pump

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A523y0
