First End Style:

Plain

End Similarity:

Identical

Overall Length:

3.140 inches

End Application:

1090-00-923-5971

First End Diameter:

0.9990 inches

Special Features:

0.380 in. Dia. Hole centered along lg.; heat treat per mil-h-6875 to rockwell c35-42; passivated per qq-p-35; ends beveled to 0.020 in. Lg. And w. By 44.0 deg.

Material:

Stainless steel

Material Specification:

Ams5643, 17-4 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23200
