First End Style:

External threaded

End Similarity:

Identical

Overall Length:

7.000 inches

First End Diameter:

Between 1.2250 inches and 1.2450 inches

First End External Thread Length:

1.345 inches

Special Features:

Two grooves 0.103 in. Deep by 0.270 in. Wide located at end of thds

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23200
