End Application:

Still picture camera ka-56a ka-56d

Product Name:

Fsc application data: camera body assembly

Special Features:

Material corrosion resistant steel qq-s-763 class 416 cond h; finish black oxide coating mil-c-13924 class 2

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A50800
