Overall Length:

1.050 inches

End Application:

Compressor

Weight:

0.342 ounces

Special Features:

Clip on 0.568in i.D.

Material:

Stainless steel

Material Specification:

Ams 5596 sst assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A525e0
