End Similarity:

Not identical

Overall Length:

1.560 inches

Largest Step Diameter:

0.620 inches

Surface Finish:

63.0 microinches

Special Features:

Second end counter bored 0.280 in. Diameter to depth of 1.090

Material:

Steel

Fsc Application Data:

Valve, nose wheel steering

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23200
