First End Style:

Plain

End Similarity:

Identical

Overall Length:

1.900 inches

First End Diameter:

Between 0.2496 inches and 0.2498 inches

Surface Finish:

16.0 microinches

Material:

Stainless steel

Material Specification:

Qq-s-763, class 416, condition a federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23200
