First End Style:

Plain

End Similarity:

Identical

Overall Length:

5.657 inches

First End Diameter:

0.2500 inches

Material:

Copper alloy

Material Specification:

Qqj-b-626, composition 22, 1/2 hard federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23200
