**Overall Length:**

4.062 inches

**Overall Height:**

1.155 inches

**Overall Width:**

4.070 inches

**Construction Type:**

One piece

**End Application:**

Aircraft, fb-111, ef-11 (aardvark/raven)

**Housing Material:**

Aluminum alloy

**Special Features:**

Incl 4 ea guide pins

**Material Specification:**

Qq-a-601 356-t6 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A522y0
