Overall Length:

4.062 inches

Overall Height:

1.155 inches

Overall Width:

4.070 inches

Construction Type:

One piece

End Application:

Aircraft, fb-111, ef-11 (aardvark/raven)

Housing Material:

Aluminum alloy

Special Features:

Incl 4 ea guide pins

Material Specification:

Qq-a-601 356-t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A522y0
