First End Style:

External threaded

End Similarity:

Identical

Overall Length:

2.438 inches

First End Diameter:

0.1867 inches

First End External Thread Length:

0.281 inches

Surface Finish:

16.0 microinches

Material:

Aluminum alloy

Material Specification:

Qq-a-250, type 6061-t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23200
