First End Style:

Plain

End Similarity:

Not identical

Second End Style:

Flatted

Overall Length:

Between 2.800 inches and 2.820 inches

First End Diameter:

Between 0.1380 inches and 0.1400 inches

Second End Flat Length:

Between 0.245 inches and 0.255 inches

Largest Step Diameter:

0.187 inches

Surface Finish:

125.0 microinches

Material:

Steel comp 303

Material Specification:

Qq-s-763, cond a federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23200
