First End Style:

Flatted

End Similarity:

Not identical

Second End Style:

Flatted

Overall Length:

1.562 inches

First End Flat Length:

0.375 inches

Second End Flat Length:

0.505 inches

Material:

Stainless steel

Supplementary Features:

Passivated surface

Fsc Application Data:

1. Landing control set

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23200
