Overall Width:

1.046 inches

Construction Type:

One piece

End Application:

2350-01-219-7577 carrier pers; 1450-00-176-2697 low missile carrier; 2350-00-968-6321 carrier, pers armored, m113 fov

Housing Material:

Steel

Special Features:

Incl housing, shield, shield aperature; used as road wheel housing support

Material Specification:

Qq-s-698 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A522y0
