**Body Material:**

Steel

**Mounting Provision:**

Pin

**Temperature Rating:**

Not rated

**Overall Diameter:**

2.750 inches

**End Application:**

Loader, model 300b, john deere

**Pressure Rating:**

Not rated

**Design Characteristics:**

Single acting single cylinder

**First Piston Rod End Style:**

Bushing type

**Piston Rod End Similarity:**

Identical

**Mounting Type And Location:**

Trunnion both ends

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A34200
