

View Online at <https://aerobasegroup.com/nsn/3040-01-037-2167>

Special Features:

Attachment method: clamp; surface finish: chemical film

Material:

Aluminum alloy

Material Specification:

Ams 4119, comp 2024-t351 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A523y0
