**First End Style:**

Plain

**End Similarity:**

Identical

**Overall Length:**

2.880 inches

**First End Diameter:**

0.1250 inches

**Special Features:**

Surface treatment passivate qq-p-35; shaft has grooves 0.258 in between centers

**Material:**

Steel

**Material Specification:**

Qq-s-764, class 303, con a federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A23200
